

ICL INQUIRY STATEMENT

JEAN McGOLDRICK

1. I knew Kenny MURRAY because he was my cousin Marie MURRAY'S husband. I had known Kenny for about 25 years, maybe more.
2. At the beginning of May 2004, Kenny was over in my house, which was very common.
3. Kenny and John Reid were talking about lighters, in particular "Zippo" lighters. Kenny was making a roll-up and John stated that his sister had bought him a "Zippo" lighter for a joke because he kept losing his.
4. Kenny showed me his lighter by holding it up in front of me. I could see that it was a brass coloured lighter with a "Jim BEAM" design on it.
5. Kenny was showing John how to fill the lighter. I think it was petrol you put in it. Kenny said that somebody had given it to him but I can't remember who it was.
6. I was shown a 1 x Yellow metal Zippo lighter with Jim Beam Bourbon Whiskey design thereon.
7. I can positively identify the lighter I was shown as similar in colour and design as the lighter Kenny had that day in my house. I signed the Production Label on the bag at position number 9.

I confirm that the contents of this statement are true
