ICL Inquiry 2nd Supplementary Statement

Commentary on the Factual report, Expert Evidence and ICL Inquiry Statement by Penny Taylor.

1. I am Penny Taylor's line manager and was her line manager when she prepared her Factual Report and her Expert Evidence for the Procurator Fiscal, in support of the prosecution of ICL. At present Penny is on attachment to the Planning, Efficiency and Finance Division managing a special project but will return to the Unit when the project is finished.

2. I saw and approved the Factual Report and Expert Evidence when it was prepared. I have now seen Penny's Inquiry Statement.

3. I agree with the clarifications to the Factual Report and Expert Evidence detailed in the inquiry statement and support the opinions and conclusions Penny has drawn in her expert evidence.

I confirm that the contents of this statement are true
