Dear Ms McCartney / Mr Lodge

Thank you for your recent letters regarding the Core Participant / Statement of Case.
/Access to Inquiry Bundle.

I would like to confirm that I wish to be a Core Participant without legal representation in the ICL Enquiry , my statement of case if as follows:

I , Sheena O'Brien, was badly injured in the explosion, and I lost my father and close friends.

I want to know what happened that day and be able to obtain closure for me, my colleagues and of course family, through a fair enquiry.

Sincerely,

Sheena O'Brien
